

# IMPORTANT INFORMATION REGARDING YOUR BILL

- **ILL OR INJURY CHARGES** – Vary based on level of medical complexity/decision making, number of diagnoses, coordination of care & counseling time.
- **WELL CARE EXAM CHARGES** – Topics outside the scope of a well care exam will be charged separately as an additional office visit/charge OR you may schedule a separate appointment to address those topics (treating an illness or another diagnosis such as asthma or ADHD, removing a wart, medication follow-up, behavioral concerns, menstrual problems, and some labs.) Ask your Provider before the appointment begins if you are sensitive to this.
- **LATE CANCEL OR MISSED APPOINTMENT CHARGES** – Call at least 24 hours in advance to cancel an appointment. After one missed appointment or late cancel there will be a \$50 charge for all missed appointments or late cancels.

---

Schedulers are available Monday – Friday starting at 7:00 am,  
Saturday at 8:30 am & Sunday at 1:00 pm

---

- **EXPECTED ARRIVAL TIME** – 15 minutes prior to all scheduled appointments to allow time for check-in, measurements and rooming. Patients that are late may be asked to reschedule if the Provider is in an exam room with their next patient already.
- **TELEPHONE CHARGES** – Appointments made for a telephone visit with a Provider, in lieu of an office visit, will be charged a small fee. There is no charge to speak with a Triage Nurse, they communicate with your Provider for you, offer home care tips, and assist with deciding on whether your child should be seen by a Provider.
- **CO-PAYS, COINSURANCE & DEDUCTIBLES** – Due on the date of service. Contact your insurance company to understand your responsibility. We want to work with you and offer payment plans if needed. Call our billing department for more information at 952-230-9740.

**If you have other adults that take part in the care  
of your child, please share this information with them.**
